It is amazing that we are in November already. The year has gone very quickly and we are starting to get ready for Christmas programming and transition to school.

In the next couple of weeks we are welcoming the new families to 2020 to the Woodend Children's Centre Community. We have plenty of spaces for 2020 so if you know of any children that need preschool for 2020 please make them aware of the kindergarten and the program that we offer. We would love them to join this preschool community.

CURRICULUM

As we are approaching Christmas, we would like to focus on Christmas around the world. If anyone has cultural or religious beliefs about this time of year –please see Tracey so that every child can be included in the curriculum. We believe that Christmas is a caring and loving family time. We hope to be talking about the nativity story throughout the last few weeks of preschool.

For more information about the program please reads your copy of the program and the lager books by the double door entrances and follow us on our face book page.
